- (Please check box to be considered) By submitting this information to be a candidate for the Reckford Teaching Prize, I certify that the information above and in these attachments is accurate.

Requested Information

Please attach a resume (two page maximum) and a two-page summary of your qualifications addressing how your teaching philosophy and professional practice exemplify the criteria for this teaching prize, including how you:

Ignite enthusiasm for learning by:

- Presenting content in an engaging manner using a variety of instructional approaches that stimulate all students to learn more about the subject.
- Integrating a variety of technology to maximize student learning.
- Exposing students to a wide range of perspectives and challenge them to think comprehensively, imaginatively, critically, and independently.

Create an exceptional learning environment for all students by:

- Setting high expectations and demonstrating a commitment to a high level of achievement for all students.
- Excelling in maintaining a positive and equitable learning atmosphere by being supportive, nurturing and respectful.
- Using practices and materials that reflect diverse racial and ethnic contributions and perspectives.

Serve as a role model by

- Being involved in the life of the school beyond formal teaching responsibilities.
- Inspiring colleagues by sharing information, ideas, techniques, and new perspectives through your Professional Learning Community, faculty meetings, professional development opportunities, etc.
- Being viewed as a subject matter expert by other teachers and/or administrators
